SCHOLARSHIP INFORMATION	
Scholarship Information Website	Please visit carleton.ca/awards .
Number of Scholarships Awarded	Last year, more than 12,000 scholarships and bursaries totaling over \$23 million were awarded to undergraduate students.
Scholarship Application Deadline & Decision Criteria	Your complete application for admission must be received no later than June 1. Students must apply for bursaries online by June 30. Bursaries are based on financial need. Students with a 90% admission average are eligible for one of our Prestige scholarships. Applications are due March 1. Other program-specific scholarships are available. For more information visit carleton.ca/awards .
Guaranteed Scholarship Program:	High school students who are admitted to Carleton University with an admission average of 80 per cent or better will automatically be considered for a renewable Entrance Scholarship. Entrance Scholarships are renewable over the first four years of an undergraduate degree with A- standing (10.0 annual GPA). If lost one year, scholarship may be regained at its original value with a return to A- standing.
SUPPLEMENTAL INFORMATION	
Treatment of Diploma Marks	Carleton accepts the higher of either the blended or course grade.
Transcript Requirements	Students who wish to be considered for early offers of admission are encouraged to provide transcripts showing mid-term results. All offers are conditional on receiving final official transcripts. When we receive final grades we will reassess your application to ensure that you still meet the requirements for your program. If you no longer meet the required averages, we will have to withdraw your offer. Where it is possible, we will give you an alternative offer of admission.
Tuition Differentials	Please visit carleton.ca/fees .
Treatment of Second Choices	Your highest ranked program will be considered first, but all program choices will be assessed. If you qualify for your first choice, you will receive an offer of admission for that program. With that offer, you will also receive information on the status of your other program choices. We always try to offer admission to your first choice before offering you an alternative program. For some limited enrolment programs with portfolios or other requirements, this can mean an alternative offer will be delayed.

Guaranteed Admission Scholarship Program:	Scholarships are based on merit. • No application needed • Awarded based on your final high school admission average as calculated by Western • Available to Canadian citizens, permanent residents, and international students
SUPPLEMENTAL INFORMATION	
Treatment of Diploma Marks	Statistical evidence clearly shows that Alberta high school graduates consistently perform better, on average, than all other high school student cohorts admitted to Western. <u>As a result, Western will extend admission to Alberta high school applicants within 4% of our admission averages and we will also credit that amount to their final admission average, as calculated by Western, for scholarship consideration.</u> The final admission average includes five Alberta grade 12 courses including English 30-1, and is calculated on the final blended grade in each course.
Transcript Requirements	Applicants must self-report their grades at http://welcome.uwo.ca/admissions/forms/self_reported_grades.html . The submission of an official final transcript sent by Alberta Education will be required for final grades.
Tuition Differentials	registrar.uwo.ca/feeschedules
Treatment of Second Choices	Western adjudicates all application choices. Western's Main Campus does not extend automatic alternate offers of admission. If an applicant wishes to be considered for more than one faculty/program, they must list each as a separate choice on the OUAC application form. Please follow the instructions on the appropriate OUAC "Browse/Select Program" page carefully. For OUAC, does ranking of school/program matter? No.

SUPPLEMENTAL INFORMATION	
Treatment of Diploma Marks	Statistical evidence clearly shows that Alberta high school graduates consistently perform better, on average, than all other high school student cohorts admitted to Western. As a result, Western will extend admission to Alberta high school applicants within 4% of our admission averages and we will also credit that amount to their final admission average, as calculated by Western, for scholarship consideration. The final admission average includes five acceptable Alberta grade 12 courses including English 30-1, and is calculated on the final blended grade in each course.
Transcript Requirements	Applicants are able to self-report their grades at http://welcome.uwo.ca/admissions/forms/self_reported_grades.html . The submission of an official final transcript sent by Alberta Education will be required for final grades.
Tuition Differentials	http://registrar.uwo.ca/student_finances/fees_refunds/fee_schedules.html
Treatment of Second Choices	Western adjudicates all application choices. Western's Main Campus does not extend automatic alternate offers of admission. If an applicant wishes to be considered for more than one faculty/program, they must list each as a separate choice on the OUAC application form. Please follow the instructions on the appropriate OUAC "Browse/Select Program" page carefully. For OUAC, does ranking of school/program matter? No.

INSTITUTION INFORMATION

Location	Laurier has two undergraduate campuses: Waterloo and Brantford – both within an hour of Toronto. Most of the business programs are in Waterloo, with the exception of Business Technology Management which is in Brantford.
Program Highlights	The Bachelor of Business Administration (BBA) program is a comprehensive, direct entry, case-based business program with an emphasis on experiential learning. Laurier's flagship business program features program-wide competitions every year, including live cases and entrepreneurship challenges. We teach comprehensive business education because businesses do not operate in silos, and a case-based approach allows students to experiment with new ideas in a sandbox environment.
Student Population	Laurier is a mid-sized University, with over 19,000 students at two undergraduate campuses.
Co-op Programs	All Lazaridis school programs have access to the largest business co-op in Canada that features placements in the Greater Toronto Area, Kitchener-Waterloo, Calgary, Edmonton, Vancouver and Halifax, in addition to other national/international placements. This program is competitive entry for BBA and Economics, however is built into the Business Technology Management (BTM) and double degree programs. For competitive entry co-op, roughly 60% of co-op applicants are successfully admitted to the program.

ADMISSIONS AND TRANSITION INFORMATION

Admissions Requirements	Five courses, including English Language Arts 30-1 at a minimum of 60%. Additional supporting documents are due by Friday, May 15, 2020 and can be emailed to chooselaurier@wlu.ca , self-uploaded to the application website, or mailed.
Admissions Requirements Online	Program specific requirements for Alberta applicants can be found at wlu.ca/admissions .
English Proficiency Requirements	TOEFL - internet-based test overall score of 83 with a minimum of 20 in each component; IELTS - 6.5 with 6.0 in each band; CAEL - 70, with no part below 60; Pearson Test of Language Proficiency - 59; Cambridge Assessment English - 176. Students can also pursue English language studies through the Laurier English and Academic Foundation (LEAF) Program - a five-level program designed to prepare students for the English and Academic challenges of university study.
Minimum Admissions Average	The most competitive Lazaridis School of Business and Economics programs require mid-90s (BBA double degree programs); BBA requires low 90s; Economics and Business Technology Management require mid-80s.
Application Deadline	April 1, 2020 – students are encouraged to apply and submit documents earlier as decisions will be made on a rolling basis. Conditional offers will be made on grade data available at the time of decision, which might mean using marks from Grade 11, Grade 12 or a combination of both.
Application Fee	\$156 for three choices (each additional choice is \$50).

RESIDENCE INFORMATION

Residence Options	Waterloo Campus - We offer dormitory-style (single/double) or apartment-style (single/double). A meal plan is required for all residence students. Brantford Campus - All residences are apartment-style with suites ranging in size from 3-7 students. All residence communities are co-ed, with single-gender apartments and a mix of single & double rooms.
Residence Application Deadline	Students must apply to residence and submit their room deposit by 11:59 p.m. EST, June 1, 2020 .
Residence Guaranteed?	Residence is guaranteed to all first-year students who submit their application and deposit by the deadline.
Room Deposit Fee	A \$600 deposit is required by the residence application deadline.
Online Application	Students can apply to residence for both campuses through wlu.ca/residence .

SCHOLARSHIP AND FINANCIAL AID INFORMATION

Scholarship Information Website	Visit wlu.ca/studentawards for up-to-date information.
Scholarship Application Deadline	Laurier has a number of competitive scholarships that seek out students based on their scholarship profile. There is an entrance profile that is due in the summer (specifically for prospective students) as well as a profile that is to be completed by the end of September (for returning students). The online application for entrance bursaries is available from mid-December until the April 7, 2020 deadline.
Decision Criteria	In addition to the guaranteed entrance scholarships, Laurier uses student profiles to help you apply for competitive scholarships, awards and bursaries. Awards are granted based on interests, involvement, financial need, academic achievement and more.
Guaranteed Entrance Scholarship Program	Students are automatically considered for Entrance Scholarships, and Lazaridis School programs issue \$2000 from 90%-94.9%, and students with an average of 95% or above will also qualify for the President's Gold Scholarship worth up to \$20,000 over 4 years.. Entrance Scholarships are considered automatically and will be honoured once the conditions of their offer are met.

Supplemental Information

Treatment of Diploma Marks	Conditional offers may be issued on in-class marks. To maintain an offer of admission, final averages will be calculated using diploma results and must meet the minimum admissions requirements.
Transcript Requirements	Applicants are encouraged to send grades by mail, email (chooselaurier@wlu.ca) or by fax to 519-884-0618 for conditional offers. All final transcripts must be sent as a hard copy directly from the issuing institution or the Alberta Ministry of Education.
Tuition Differentials	Tuition ranges from \$6,059 - \$8,648* depending the program (for Canadian citizens). International student tuition is currently \$25,320 - \$28,860*. <i>*For the academic year 2019-2020. Fees subject to increase for 2020-2021. Estimates only. The BBA/BCS double degree with the University of Waterloo tuition fees are \$12,872 for Canadian citizens, and \$33,230 for international students.</i>
Treatment of Second Choices	Laurier adjudicates all applications to the institution and as such students can receive multiple offers of admission.

ADMISSIONS INFORMATION

Basic Admissions Requirements	ts are required to submit/complete the following: 1. Free online application form 2. High School Transcript 3. Two Short Essays 4. Interview with an Admissions Counsellor https://questu.ca
Minimum Admissions Average	We do not have a minimum average requirement for admission – our students come from a wide variety of educational backgrounds, and we recognize that GPA is not always the most accurate measure of a student's learning. Instead, we look at a student's overall achievement in academics, community involvement, and extra-curricular activities to determine their suitability for Quest. However, due to the nature of our liberal arts and sciences focus, students are encouraged to have taken humanities, math and sciences courses through to grade 12.
IB Information	Students may receive up to 4 blocks of transfer credit for IB coursework. IB – Must be 6 or 7 in a Higher Level (not Standard Level) IB Course
AP Information	Students may receive up to 4 blocks of transfer credit for AP coursework. Student transfer credits are evaluated on a case-by-case basis and there is no guarantee for transfer. AP – Must be a 4 or 5 in a discipline offered by Quest University Canada.
Policy on repeated courses	N/A
Policy on summer school, night school, online courses, and correspondence courses	N/A
Deferral Policy	Students can apply for a deferral for up to 1 year. Admitted students wishing to defer their start date may apply for deferral before the May 1 enrolment confirmation deadline. Deferred admission offers must be held by a \$500 CDN deposit. Any applicable Entry Scholarships will defer with the offer of admission, but Bursaries must be re-applied for and are not guaranteed. To apply for a deferral of admissions, students must request a deferral application form from their admission counsellor and apply for a deferral through their online application profile.
Reporting of Grades	Students are required to submit an interim transcript as part of the application process. This does not need to be formal and can come directly from the student. If accepted into the institution, the student will be required to submit an <i>official transcript</i> from their high school or previous institution.
English Proficiency Requirements	Applicants whose native language is not English are required to submit the results of a TOFEL or IELTS taken within the past two years. Quest University Canada's TOEFL code number is 8341. For score requirements, please go to https://questu.ca/admissions/how-to-apply/international-students/ . Students who have completed schooling in English are exempt from the above English proficiency test requirements. Their transcript must indicate that they have completed at least two years of full-time study at a high school, university or college at which English is the official language of instruction for at least 50% of their course work. Admissions Counsellors reserve the right to request language exam results from any student, even if they meet the above requirements
Application Instructions	Quest offers a free online application from our website: https://questu.ca/ Students can also apply online to Quest through the Common Application .

Application Deadline & Fee	<u>Applying to Quest is free of charge.</u> <u>FALL 2020 Application Dates:</u> Early Action Deadline – December 1st, 2019 Early Decision Deadline – December 1st, 2019 Regular Decision – February 1st, 2020 Scholarship and Bursary Deadline – Students submit their scholarship and bursary applications with their admission application. Decision/Deposit Deadline – May 1st, 2020

RESIDENCE INFORMATION	
Guaranteed Housing	Yes, all students live in single rooms on campus for the duration of their studies.
Residence Application Deadline & website	Once a student has confirmed enrolment to Quest, and has paid their tuition deposit, they will be invited to create a StarRez profile and select building preferences. https://questu.ca/student-life/campus-life/housing/
SCHOLARSHIP INFORMATION	
First Year Scholarships	Quest University Canada offers several scholarships to recognize students whose experiences and achievements indicate they will have extraordinary impact on our community. Canadian citizens and permanent residents are eligible for the Canadian Academic Performance Scholarship - an automatic \$10,000 / year scholarship for students that graduate secondary school with an 80% average or above. Canadian citizens and permanent residents are eligible to apply for the David Strangway Award for excellence – a full tuition scholarship. All students are eligible to apply for the Presidential Scholarship – an award that ranges from \$2000 - \$8000 / year. Quest has additional scholarships for students that meet the following criteria: Currently attending or attended a United World College, currently attending or attended a Gap Year Program partnered with Quest University, and for students that compete in a sport or performance at a national or international level. More scholarship information can be found here: https://questu.ca/admissions/afford/scholarships/
Guaranteed Scholarship Program	Canadian citizens and permanent residents are eligible for the Canadian Academic Performance Scholarship - an automatic \$10,000 / year scholarship for students that graduate secondary school with an 80% average or above. https://questu.ca/admissions/afford/bursaries/
Bursary Information	Quest students can apply annually for our Need-Based Aid (Bursary). A Quest Bursary can be awarded up to \$15,000 / year.
INSTITUTIONAL HIGHLIGHTS	
• Quest launched the Canadian Academic Performance Scholarship in 2019 – automatically awarding Canadian applicants \$10,000 / year for achieving an 80% average or above in secondary school. This award is eligible for Canadian citizens and permanent residents. • For the Fall 2019 incoming class, Quest completed two new residence buildings. More information on housing can be found at https://questu.ca/student-life/campus-life/housing/ • Quest operates on the Block Plan – a model of academic structuring where students take one class at a time for a 3.5-week block, instead of multiple classes at once throughout a semester. • Students at Quest design research questions to guide their studies rather than declaring a major. • Quest is Canada's only private, secular, not-for-profit liberal arts and sciences university. • From neuroscience to theatre, from law school to medicine, and from social work to political science, 45% of alumni go on to further studies at top institutions in North America and around the world. • Quest students reported significantly higher than the national average in the National Survey of Student Engagement for each of the four survey themes: Academic Challenge, Learning with Peers, Experiences with Faculty and Campus Environment.

INSTITUTIONAL HIGHLIGHTS	
The Bachelor of Arts and Science in Climate and the Environment at StFX offers an interdisciplinary focus on the scientific and social dimensions of our environment. The degree program will examine the physical, biological and chemical composition of our world, our societal relationship with nature and how the Earth's energy balance affects our environment. Students join an intimate, dynamic, and cohesive group of likeminded peers and scholars with whom they can grow intellectually. StFX is fortunate to house some premier scholars in the field of Climate and Environment. The Bachelor of Arts in Public Policy and Governance is one of the few of its kind in Canada. This degree provides students with the opportunity to explore how our global society organizes politically and how we can effect real change. Students will gain insight and skills in public affairs, leadership, and options for tackling a broad range of public issues, within local and global communities. The program is proud to have an over \$10 million endowment in scholarships and awards which support students and inspire them to grow in leadership positions. Diverse internship opportunities in a dynamic scholarly environment provides students with real life experience drawing from a number of perspectives. Students in the Bachelor of Arts in Human Kinetics and the Bachelor of Business Administration programs may pursue a new minor in Sport Management. The minor would provide a foundation for, and be a crucial first step toward, a successful career in sports management. This offering would focus on the management side of sports and would give introductions to, and fundamentals of, key dimensions of sports management including the sociology of sport, sport marketing, event management and personnel management.

Scholarship Information Website	www.stu.ca/scholarships/
Number of Scholarships Awarded:	Varies from year to year
Scholarship Application Deadline:	March 1 st , 2020
Decision Criteria:	In selecting major entrance scholarship recipients, the primary criterion is the academic record. The Entrance Scholarship Committee considers admission average, grade 12 program (courses and level of difficulty), rank in graduating class and program and performance in grade 11. Other factors considered include: letters of academic reference and scores on standardized tests (if applicable). Leadership qualities extracurricular activities and financial need are considered in awarding some entrance scholarships.
Guaranteed Scholarship Program:	If you are a Canadian applicant with a minimum admissions average of 80 per cent, you automatically qualify for a scholarship. The higher your average, the greater the scholarship's value. • Admissions average 80-89% - \$1,000 • Admissions average 90+% - \$2,000 Our guaranteed entrance scholarships are renewable for \$1,000 in second, third, and fourth year if the student maintains a grade point average of 3.5 (high B+).
